

*In loops and stitches, I worked this tale,
A gift from my heart, a love-warmed detail.
Hand knit with care, to keep you warm,
A treasure that weathers life's storm.*

*With yarn and needles, I crafted each line,
A labor of love, pure and divine.
May this knit piece bring joy to your day,
In warmth and comfort, let it stay.*

*In every thread a piece of me resides,
With love and hope in each loop it hides.
So when you wear this, remember, it's true,
A hand-knit gift made just for you.*

*When a hand crafted gift you receive,
More than just a present; it's heartfelt, you'll agree.
Totally special and unique, made with care,
An ancient art passed down, a love to share.*

*Hours of stitching, each loop made with care,
Created with love, colors, and skill to share.
Not a cheap trinket from a store on a spree,
But hours of practice, work, and artistry.*

*With purpose and love, every thread is entwined,
An artisan's gift, in every stitch designed.
Remember you're treasured, when this gift you see,
A masterpiece made, just for you, from me.*

*Handcrafted with love, every stitch and row,
A gift from my heart to warm you, you know.
In every loop and stitch my care did abide,
For you a treasure I made with pride.*
